NOT FOR DISTRIBUTION IN THE UNITED STATES

NEWS RELEASE

EU Gold Files Amended Statements

Vancouver, British Columbia - **EU Gold Mining Inc. ("EU Gold"** or the "**Company")** announces that it has refiled corrected versions of:

- its interim financial statements for the three months ended July 31, 2025;
- its interim financial statements for the three and six months ended October 31, 2025; and
- its interim financial statements and management's discussion and analysis for the three and nine months ended January 31, 2026

(collectively, the "Refiled Documents").

The Refiled Documents were filed to correct references indicating that the financial information was presented in "*thousands of Canadian dollars.*" The financial information contained in the Refiled Documents is presented in Canadian dollars and not in thousands of Canadian dollars.

The Company confirms that the correction is limited to the description of the unit of presentation and does not affect any of the reported financial information, including assets, liabilities, shareholders' equity, income (loss), cash flows, net income (loss) per share, or any other financial information previously disclosed. No other changes have been made to the Refiled Documents.

About EU Gold Mining Inc.

EU Gold Mining is engaged in the exploration and development of its mineral property interests in Côte d'Ivoire, West Africa. The Company recently acquired several gold permit and permit applications covering a total of 1,393 square kilometres, including the Kimoukro Gold Project consisting of 14.47 square kilometres. EU Gold mining is a reporting issuer with plans to list its common shares for trading on a Canadian stock exchange. Key company documents can be accessed on SEDAR+ and on the Company's website, www.eugoldmining.com.

ON BEHALF OF EU GOLD MINING INC.
